Ananya Rao
B.Tech Computer Science, 2nd Year | Sample Institute of Technology

SKILLS
Figma, Adobe XD, UI/UX Design, Prototyping, User Research, HTML, CSS, Tailwind CSS, Swift (basics)

PROJECTS
Mess Menu App Redesign - Figma. Ran 12 user interviews and redesigned the ordering flow; usability score rose from 61 to 84.
Event Discovery App - Figma, Adobe XD. Clickable prototype with 18 screens, tested with 25 students.
Sustainability Dashboard - HTML, CSS, Tailwind CSS. Built the responsive front end for a campus energy dashboard.
iOS Habit Tracker - Swift. Completed a 4-week SwiftUI course project with local notifications.

EXPERIENCE
Design Intern, BrightCart Studio (Jan-Mar 2026): produced wireframes and a design system for a checkout flow.

ACHIEVEMENTS
Runner-up, college UI design contest 2025.
